## Country Air Golf Park

We invite you to join our 2004 Area Business Golf League at Country Air Golf Park in Lake Elmo. The League will take place on the **ONLY 18 HOLE CHAMPIONSHIP PITCH AND PUTT GOLF COURSE** in the twin cities.

The Area Business Golf League or A.B.G. League will play 9 holes every Tues. evening from 6:30-7:30, May 11th-August 24th. Each business will bring a foursome to play in the league. Different employees, co-workers and customers can play each week. This gives your business the chance to reward different employees/ co-workers and thank various loyal customers each week. The last Tues. of each month we will take a twosome from each business and pair them with a twosome from another business to give the businesses the chance to network with one another.

There will be a link on our website for every business that is signed up for the ABG League. There will also be a prize awarded weekly to the winning business, and they will be mentioned on our website.

*Advertise your business to other local businesses!*
